DEDICATION

WE THE CLASS OF '39

deem it only fitting and proper to honor the Builders of Banning High School—not just the individuals who have made possible the construction of our beautiful school, but the Builders of character—those people who day by day, week by week, and month by month are quietly laying a foundation for the future success and happiness of each and every one of us. It is to these persons, therefore, that we do humbly and appreciatively dedicate this annual.

CAMPUS LIFE

It seems simple enough to write a message to Seniors, but when I come to think that some of you may read it now and that it may even be read by others in later years, it becomes more serious. What any of us do or say now is apt to be of unsuspected importance later on. I would not have you suppress one jot of youth's enthusiasm and joy of life. I would have you rather keep unabated all the eagerness and verve that you now possess, but I would have you so rule and temper this eager urge that the things you say and the things you do will leave the right impression on your associates and on your own soul. Let me wish for you, therefore, along with your capacity for enjoyment and for happiness, the power to be serious, to be real, to be true, with the full realization that you are, in all that the phrase implies, leaving "footprints on the sands of time."

CLASS HISTORY

September 9, 1935: A group of eighty-nine green and gawky freshmen entered the portals of Banning Union High School. After successfully weathering the Kid Party, they elected George Cariker and Florence Hall presidents for the two respective semesters. Mr. Fisk and Mr. Choisser were the advisors. The social functions of the year were limited to a party held at the George Street Park.

September 14, 1936: A somewhat depleted class of seventy-seven smiling faces swept through the halls, proud of their positions as sophomores. The outstanding event of the year was a picnic at Palm Springs. Jean Houser led the class through their second year with the help of Miss Thayer and Dr. Gunnerson.

September 13, 1937: A big year for the eighty-five future lords and queens of B. U. H. S.!!! Two plays, several dances, and the sale of refreshments at the games made possible the most important social event of the season—the Junior-Senior Banquet, which was held at the Desert Inn. The presiding officers, Bob Watson and George Bundick, were ably assisted by Miss Thayer, Miss Gard, and Mr. Fisk.

September 10, 1938: Fifty high and mighty Seniors put the freshmen through their paces during the first week of school, forgetting their past experiences as bashful beginners in the world of learning. Bill Herbert served as a most efficient president, and Miss Camp, Mr. Oswald, and Mr. Bondoc proved equally capable as advisors. The highlights of the year were the A. A. U. W. Tea for the Senior girls, Ditch Day at Long Beach, the Junior-Senior Banquet at the Mission Inn, and Baccalaureate and Commencement Exercises held in the new high school auditorium.

STUDENT COUNCIL

The Student Council, composed of the student body officers and the presidents of the Girls' League and the four classes, is the director of student affairs. Their official duties include the management of school business and finance, as well as to provide entertainment for assemblies.

The student body officers elected for the year were as follows:

President	Bob Watson
Vice-President	Bill Herbert, Florence Hall
Secretary-Treasurer	Melba Kaltenbach
Business Manager	George Bundick
Yell Leader	Frances Warman, Jane Miller

The other council members were Girls' League President, Jean Houser; Class Presidents: Senior, Bill Herbert; Junior, Howard Wiefels; Sophomore, Frank Grande; and Freshman, Oakley Smith.

GIRLS' LEAGUE

All of the girls in school are members of the Girls' League. They made year books containing the entire program. A "Get Acquainted" Party for the Little Sisters started the year's events. Two one-act plays, a Mothers' Day Pageant, a Basketball dance, a Spinster dance and a Fashion Show were a few of the highlights of the year. At Christmas time the girls filled and distributed baskets for the poor. Noon dances, candy sales, basketball-schedule pencils, and trophy pins were used for earning money.

In November Mrs. Varney, Miss Bird, Jo Penegal, and Jean Houser attended the Girls' League Convention in Phoenix, Arizona.

The officers were Jean Houser, President; Jo Penegal, Vice-President; Ann Schunck, Secretary; and Marjorie Leach, Treasurer. Mrs. Varney and Miss Bird are the advisors.

Standing—Jean Houser, Marjorie Leach, Miss Bird, Ann Schunck.
 Sitting—Mrs. Varney, Jo Penegal.

DEBATE

The National High School Debate Topic: "The United States should establish an alliance with Great Britain," was debated this year by high school students, interested in world affairs, all over America. The Banning squad debated this question with teams from five other schools. Besides the experience of speaking before audiences, the debaters gained confidence, the ability to reason logically, to organize material, to think rapidly under pressure, and a great understanding of foreign affairs.

The Banning affirmative team was Bob Watson and Glenn Evans; the negative team was Verna Jean Maxwell, Roland Wilkinson, and Harold Johnson. In addition to the varsity squad, a Freshman affirmative team consisting of Margaret Love and Wretha Childreth and a negative team of Anne Hill and Jaqueline McCrea were formed. These girls debated among themselves, against the varsity, and the Elsinore freshman team.

Mr. Hanks displayed himself as a most able coach, and the debaters are indebted to him for the guidance they received.

The varsity teams won all the decision debates with Beaumont, but lost the affirmative to Corona.

SCHOLARSHIP

The purpose of Chapter 42 of the California Scholarship Federation is to give approval and encouragement to conscientious students who have proved their ability by attainment of superior grades, and to offer certain advantages to those students, not extended to the average pupil. In this chapter the scholarship members number ten per cent of the total school enrollment. Bi-monthly meetings are held and an occasional social affair.

Since it is the intention of most scholarship students to go on to college, several trips have been taken at intervals to various Southern California colleges and universities, where classes were attended and luncheon served the visitors on the campus. Griffith Observatory, the Columbia Broadcasting station, the new Palm Springs High School, Forest Lawn Mausoleum and the Mission Inn have added to the cultural improvement of the members as well as their factual knowledge.

Those who remain in the Scholarship Society for six or more semesters, one of which is in the Senior Year, become life members of the C. S. F.

ART

The Art Club was organized last September for the purpose of providing social and cultural contacts for the students interested in art.

The officers elected were Marion Swan, President; Lauralice Kryder, Secretary; and Jean Mahurin, Treasurer.

A fitting climax to the activities of this group was the trip to the Mission Inn at Riverside where art treasures from all parts of the world are to be seen.

Next year the club is anticipating several excursions to art centers in Southern California, among them being Forest Lawn and the Huntington Art Galleries.

Because of this organization's popularity among art students, a larger membership is expected for the '39-'40 school term.

BLOCK "B"

The letterman's club, unusually small at the beginning of the year because of the separation of Banning Union High School, was very inactive. Eligibility to this organization is gained by playing in twelve or more quarters of football or basketball or by earning a required number of points in track.

For every year a varsity letter is earned, one white strip may be added to a special green letterman's sweater following regular military procedure. Franklin Kiech, the "Butcher's" coach since 1934, is the club director.

With the increase in membership, Block B should take its rightful place among the more active clubs next fall.

SPANISH

To further their knowledge of the life and customs of Spain, as well as the language, the Spanish classes organized a club under the direction of Miss Gard. In addition to the research work, several social functions marked the highlights of the year. A play depicting the mannerisms of the Spanish people during the Yuletide season was given before Christmas. The success of this performance prompted the organization to enter the Sophomore Hi-Jinks, and their play, "La Revolution," won the group prize of five dollars.

A fitting climax to the activities of this club was the trip to Padua Hills. After the singing and dancing program presented by the Padua players, refreshments were served in the theater's picturesque Mexican dining room.

The officers were as follows: President, Arlene Norton; Vice-President, Miriam Johnson; and Secretary-Treasurer, Bill Quear.

B. Bailiff
J. Quear

FRENCH

On alternate Fridays this small group of French students met to discuss the geography and government of France as well as the customs of the people. Miss Coulter, the sponsor, showed the group pictures of famous points of interest and aided them in obtaining further information about the characteristics and the history of the republic.

The following officers were elected: Donald Clegg, president; Bert Bailiff, vice-president; and Marie McDermott, secretary-treasurer.

LATIN

The Latin Club, organized in September for the purpose of promoting interest in Roman civilization, proved to be very popular among Latin students. As our every-day modern life, as well as our language, resembles that of the ancient Romans in many ways, interesting facts and comparisons were presented by the members.

The activities of the club during the first semester were brightened by two parties, given by Verna Jean Maxwell and Doris Buttles. Skating and swimming climaxed the year's social events.

Doris Buttles, Glenn Evans, and Charlotte Dishon served the respective offices of president, vice-president, and secretary-treasurer for both semesters. Miss Coulter organized and directed the group.

HI-LIGHTS STAFF

For the first time in the history of Banning High School, a paper was issued regularly. Ann Schunck, with the competent help of her associate editors, Lois McCann and Verna Jean Maxwell, presented a publication every two weeks that was worthy of the time and effort spent in its preparation. Miss Tullett and Mr. Oswald were largely responsible for the success and praise bestowed upon "Hi-Lights."

SECRETARIAL

The Secretarial Club, composed of shorthand students, proved to be one of the most active organizations throughout the year. On October 30, a Hallowe'en party was held at the home of Mary French, and in January Miss Tullett escorted the group through the Whitewater telephone sub-station. High points in the activities during the second semester were a theater party on February 3 and a talk by Mrs. Keith about her business college in Riverside on February 14. In May, the club hiked to the Morongo Indian Reservation to the home of Frances Hall, one of the members.

Vivienne Ruggles, Ethel Tarkington, and Thelma Pickerill were elected to the respective offices of president, vice-president, and secretary-treasurer.

JUNIOR

This year the Juniors decided to give their traditional play earlier than usual. "Aaron Slick From Punkin' Crick," a comedy in two acts, was chosen late in November, and tryouts began immediately.

The play was so popular with the Juniors that they chose to have two complete casts.

After more than a month of practice, under the able supervision of Miss Gard, Miss Coulter, and Mr. Hanks, the two casts were ready for action.

Forgotten cues were rememorized, a whirlwind sales campaign started, props were finished, and all prepared for the final presentation.

The play was successfully given on the nights of January 13 and 14 in the new Banning High School Auditorium, which was open for the first time to the general public. The large attendance assured the Seniors a good banquet in the spring.

SENIOR PLAY

For the first time in several years the seniors were able to present a play in their own auditorium. A three-act farce, "Beginner's Luck," was chosen by the class, and tryouts were held the following week. For six weeks the cast worked diligently memorizing lines and cues, under the able guidance of Mrs. Varney and Miss Bird.

On March 23, a matinee was given for the grammar school. The final presentation, March 24, was given before a large audience in the new high school auditorium.

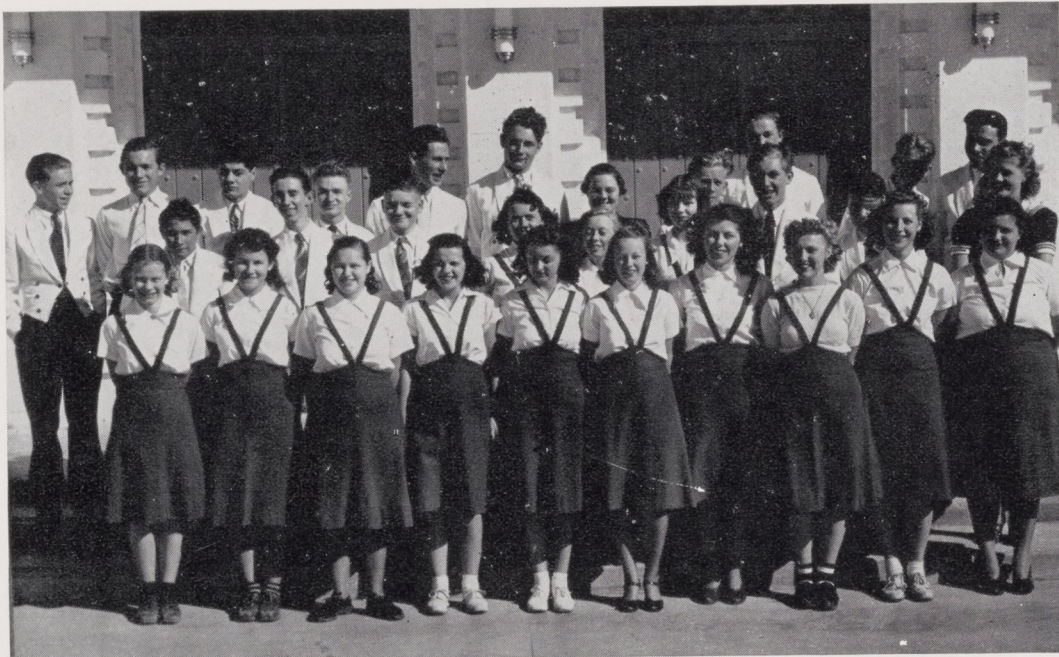

The business manager was George Bundick, and Everett Iund, Glen Jost and Richard Shoen constructed the sets.

The cast for "Beginner's Luck" was as follows:

Gail Fuller	Margaret Jellison
Jean Masters	Jean Houser
Pat Jordan	Frances Warman
Meg McRae	Ann Schunck
Paul Hanford	George Cariker
Chris Murray	Tom Warren
Mrs. Pike	Jo Penegal
Mr. X	Jack Brooks
Tony Donato	Phil Germain
Bramwell Booth	Chet Miller
Birdie Brown	Betty Lou Mathes
Mme. Humperdink	Melissa McKericher
Clarice Coy	Ethel Tarkington

First row—M. Westerfield, J. Jessup, L. Kelley, F. Hall, M. Jellison, M. Connolly, D. Matheson, J. Houser, F. Warman, V. Cloud.
 Second row—H. Sanchez, C. Miller, A. Hopkins, E. Buchen, M. Love, P. Porter, K. Prince, D. Iund, J. Johnston.
 Third row—F. Brooks, D. Williams, S. Wieman, P. Germain, G. Cariker, T. Warren, Miss Bird, J. Brooks, R. McCann, W. Johnson, K. James.

MIXED CHORUS

The Mixed Chorus, which is composed of 36 students, appeared at many functions during the past year. They sang for the Teachers' Institute in Riverside on November 21 and entertained the Woman's Club with a group of Christmas songs on December 13. On December 18, the chorus presented a cantata, "The Babe of Bethlehem." This was the first affair given in the new high school auditorium.

The group sang at the Methodist church on January 29 and appeared on the Public Schools Week program on April 27. The operetta, "Tune In," which the music department gave on April 27 and 28, proved to be a huge success. The proceeds were donated towards the payment of the new public address system. The last appearance of the year was at Commencement on May 31.

GIRLS' CHORUS

The twenty-seven voices, which compose the Girls' Chorus, were very active this year. Combined with the Mixed Chorus, they entertained at the Teachers' Institute in Riverside on November 21, at the Woman's Club on December 13, and gave the Cantata on December 18. The group also sang at the Methodist church on January 29, and at the Baptist church on March 19. They appeared with the Mixed Chorus on the Public Schools Week program on April 27 and in the operetta on April 27 and 28. The girls presented several songs at the Girls' League Mothers' Day program on May 10. As a conclusion of the year's activities, they sang at the Commencement Exercises on May 31.

ORCHESTRA

The orchestra, under the supervision of Miss Bird, gave several entertaining performances this year. They played for the Senior Play on March 24 and for the Public Schools Week program on April 27. The orchestra also furnished part of the music for the Commencement Exercises on May 31. A few of the members accompanied the rooting section and the drill team at the football games.

OPERETTA

The Operetta, "Tune In," produced by the Music Department on April 28, was witnessed by a large and appreciative audience. This was the first musical production held in the new auditorium and proved to be a huge success. The cast was well selected and trained by Miss Bird and Mrs. Varney, and they were supported by an excellent chorus composed of fifty-four students.

The cast was as follows:

FOOTBALL

After a scrimmage with Redlands High School, the Butchers officially opened the football season on October 7, at Perris. The score—26 to 6—reflected the fact that many of the boys were inexperienced in football strategy. The following Friday found Banning and the Palm Springs Indians locked in a thrilling 6-6 tie. Thus a new rivalry was born.

On October 21, the Butchers were humbled by Hemet by a slight (?) margin—40 to 0. San Jacinto fell victim to a sustained aerial attack, October 28. The score was 13 to 12. The Coachella game was the setting for one of the strangest contests in the history of the Riverside County League. The Butchers were a badly whipped team at the half, but gamely fought on. In a spirited attack the green and white squad scored three touchdowns and was barely kept from making another. The Arabs were on the high end of a 25 to 18 score.

For the first time in the gridiron history of Banning, Beaumont walked away with a 19 to 6 victory in the final game of the season.

The Butchers were the second highest scoring team in the league, undoubtedly due to the passing ability of the light backfield. The open style attack and the excellent sportsmanship, which was characteristic of this team, will always be remembered by true football fans.

First row—D. Olguin, B. Watson, B. Herbert, F. Grande, F. Brooks.
Second row—Coach Kiech, J. Seymour, J. Hough, R. McGonagle, L. Benton.

BASKETBALL

VARSITY TEAM

Despite a fast, plucky team which fought to the last gun, regardless of the score, the varsity squad was unable to retain its league title. Although Banning placed fifth among the nine competing schools this year, the '39 season should bring another pennant to the "Butchers," as there are four or five lettermen returning. The fact that only one member of the preceding team remained in B. H. S., undoubtedly was largely responsible for the mediocre showing during the '38 season.

BASKETBALL

B TEAM

A light, die-hard team, but for the most part inexperienced in cage strategy, were the Banning B's. Although the final gun found the "Butchers" with only two victories out of six starts, as sportsmen they were tops. One of the outstanding upsets of the league was suffered by Perris at the hands of this agile squad. The '39 season promises to be a banner year as all of the lettermen are returning next fall.

"C" BASKETBALL

The Banning C's, one of the three lightweight teams in the league, played only one game this season. The spunky little squad was overcome in the closing minutes by our arch rival, Beaumont, after a thrilling, hard-fought battle. Future years should find a number of these boys playing varsity ball for B. H. S.

TRACK

Although the track squad was very small, a number of the boys placed in the final meet at Riverside. Banning's standing in the county league will probably be raised next year due to the skill of several of the undergraduates.

TENNIS

On April 21, Banning met its arch tennis rival, Coachella, in the first games of the year. The girls were victorious on the Arabs' courts, but the boys were defeated at Banning. The Green and White again tasted defeat on May 2, in a close contest at the hands of Beaumont. As a result of the Riverside County League matches, Banning can well be proud of Jean Johnston, Mary Trotter and Betty Leedom for having won the championships in their respective positions.

TUMBLING

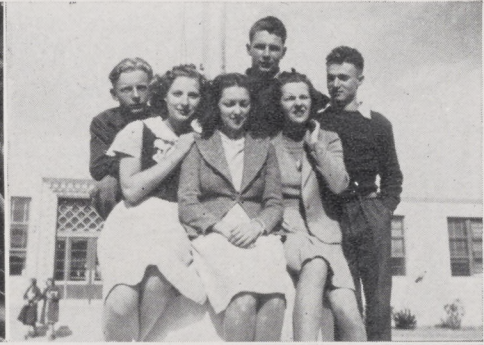

Every year the students interested in tumbling organize an informal club under the direction of Coach Kiech and Mrs. Varney. This group not only executes difficult individual gymnastics, but builds beautiful and symmetric pyramids. This extra-curricular activity was given public recognition on Gym Night, May 19.

G. A. A.

The Girls' Athletic Association is the organization in charge of all girls' athletic activities. Membership in this group may be earned by participating in inter-class sports or individual activities. Inter-class tournaments in basketball, volleyball, baseball, badminton, and shuffleboard are held during the year. Other eligible activities include tennis, hiking, bicycle and horseback riding, and skating.

The Banning G. A. A. belongs to the California Girls' Athletic Federation. Delegates attend their conventions every semester, bringing back new ideas from similar organizations.

One of the highlights of the year was the annual initiation dinner held during the first semester for all new members.

Emblems and letters are awarded every spring to the individuals who have taken part in the various activities, and the senior girl having the highest number of G. A. A. points wins a gold pin.

First row—D. Stanfield, B. Hinkle, B. Chambers, V. Ruggles, Gloria Schenone.
Second row—R. Henderson, S. Burgess, J. Johnston, M. French, J. Miller.

V O L L E Y B A L L

In the inter-class basketball and volleyball tournaments held by the Girls' Athletic Association, the Juniors emerged the champions by a wide margin, sweeping through the other three classes without a loss. These contests were organized to take the place of the inter-school games disbanded in 1937.

First row—V. Moore, A. Bischke, B. Chambers, F. Hall, B. Wyeth,
Second row—R. Henderson, B. Hinkle, R. Luttrell, J. Johnston, S. Burgess, D. Stanfield.

YOUR NEXT TEN YEARS?

- What are you going to do with them?
- The world throws out a challenge to you,
Are you going to accept that challenge?
- Preparation builds into character, and character is the basis,
not alone of material things, but of happiness.
- Live today so that tomorrow finds you one step higher on
